

# Diamond Family Medicine

Letting go of worry and opening our hearts to the world . . .

Happy New Year 2020 !

Dear Patients,

Exciting changes are coming to Diamond Family Medicine in the new year.

While we look forward to continuing to be your medical home in 2020 and beyond, our practice will be moving to Monument Health – Mayo Clinic Care Network (formerly Regional Health) this April.

**Same Care, New Location:** Dr. Diamond, Cindy Stocks CNP, Jennifer Regan LPN, and Linette Darrow will continue providing the same outstanding personal care that you have come to expect from Diamond Family Medicine.

**Why we are moving:**

To ensure call coverage with other doctors in rehab and nursing homes, and to meet government, and insurance processes that require increased administrative and technical support.

**Date and Transition:** All Diamond Family Medicine patients will receive care at our current location (904 Quincy St.) until *April 1, 2020*. Beginning April 1, 2020, we will see you at the Monument Health Medical Clinic located on the entry level floor of 640 Flormann St., behind Safeway on Mt. Rushmore Rd.

**Appointments and Records:** Following our transition, we will keep your follow-up appointments as scheduled (date and time) for next year. In addition, your Diamond Family Medicine records will be seamlessly moved to, and readily available at, Monument Health.

**Transition Benefits:** We are excited about joining the Monument Health Medical Clinic for several reasons, including for greater continuity of care:

- “One stop” – multiple services under one roof, including X-ray, lab, mammography, DEXA, nutritional counseling, and others.
- Medical record integration with the Emergency Dept. and other Monument Health specialty clinics, Urgent Care centers, and the Mayo Clinic Network.

Please be assured that we are here to support you through this transition and make it as seamless as possible for all involved. As always, feel free to contact Diamond Family Medicine with any questions or concerns.

To make an appointment with Dr. Diamond’s team at Monument Health

- Before April 1, 2020: Call our office at (605) 716-6656
- After April 1, 2020: Call the Monument Health Medical Clinic at (605) 755-3300.

Thank you for your trust and loyalty to our care,

Dr. Diamond and the Diamond Family Medicine team
